

SKILLED APPRENTICE/JOURNEYMAN LINEMAN

Southern Pioneer Electric Company is seeking a highly motivated individual for the position of **Skilled Apprentice or Journeyman Lineman** at our Liberal location. Must have a High School diploma or equivalent. Training will be provided, however skilled year two or three apprentices are highly desired. The chosen individual must acquire, within a reasonable time span, the skills and knowledge utilized in the construction and maintenance of overhead and URD distribution and transmission system and related activities. Successful applicant will be required to climb poles, use equipment, and must successfully complete the company's Apprenticeship program. Interested candidate must have excellent interpersonal communication skills, a high degree of accuracy and attention to detail, be self-motivated, enjoy public contact and ability to work with a variety of employees and consumers under differing circumstances. Working conditions include mostly outside work in all types of weather with heavy lifting. May also require working some irregular hours including nights, weekends, and holidays.

Finalist will be required to successfully pass a post-offer physical examination and alcohol-drug test, and must possess or obtain a valid Kansas CDL. Successful candidate must reside within 15 miles of the Liberal office and be a Kansas resident. Southern Pioneer Electric will reward the right person with a competitive compensation and benefit package.
